yourself and much more.**

Summer Sessions offers more than 600 courses each summer, in a wide variety of disciplines. Courses are offered over seven different sessions of varying lengths—the first session usually begins towards the end of May, and all sessions have ended by mid-August. More than 16,000 students attend UC Berkeley in the summer, and more than 5,000 of those students are visitors (non-UC Berkeley students).

The poster features a background image of a Berkeley building with a green roof against a blue sky with white clouds. The word 'Berkeley' is at the top in a blue serif font, and 'SUMMER SESSIONS' is in large, bold, dark blue sans-serif letters below it.

TEEP Intern

The Taiwan Experience Education Program (TEEP) aims to encourage more international students to participate in short-term professional internship projects organized by Taiwanese universities and colleges. TEEP also allows international students to gain an in-depth educational experience in Taiwan, while also preparing themselves for the Asian job market.
